wall cladding
paving
kitchens
bathrooms
swimming pools

The outstanding example of Italian style.

Lapitec® is the “full body” sintered stone manufactured in XXL slabs (dimensions up to 3365x1500 mm) available in 12, 20 and 30 mm thickness. A **versatile, genuine** and **durable** solution that can be used for countless applications for construction and furnishing purposes.

Plus

UV STABLE

Colour unaffected by sunlight.

SCRATCH RESISTANT

High resistance against scratching.

CHEMICAL RESISTANT

Unaffected by alkaline or acidic products.

EASY TO CLEAN

Non porous and stain resistant.

FROST RESISTANT

Resistant to low temperatures.

HEAT RESISTANT

Resistant to high temperatures

GREEN

Not printed and 100% natural.

HYGENIC

Inhospitable to fungi and bacteria.

6 finishes for a countless amount of applications

Lux

A highly reflective polished finish that naturally enhances luminosity.

Satin

Soft matte finish with a silky texture and low sheen.

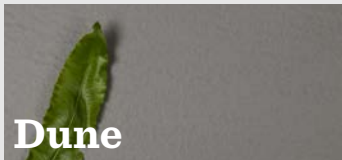

Lithos

A finely wrinkled surface that creates soft and natural colors.

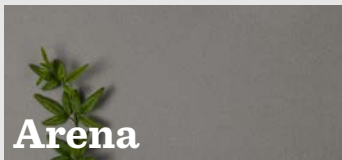

Vesuvio

Smooth and textured finish inspired by the strength and vitality of volcanic magma.

Dune

It recalls the sand of the desert, where the wind gently molds the landscape.

Arena

A smooth and sand-like finish with a regular grain that confers a natural dynamism to the entire slab.
